The renovation and enlargement of St. Philip Benizi Church has begun. In a short letter to all our benefactors and parishioners we informed them of the "good news." We hope and pray that by Thanksgiving or Christmas we will be able to worship and thank God for His many blessings in a more spacious and comfortable church. Here is the letter.

*Dear Parishioners and Friends of St. Philip Benizi:*

*As the saying goes "a picture is worth a thousand words":*

*There you have it! Praise the Lord!*

*We are happy to inform you that on January 7, 2008, the demolition of the back of the church started. The work will continue for a few months until we end up with a wonderful and more spacious church. We will almost double the capacity of the old church.*

*We thank you for your continuous and generous help. We need you now more than ever. We will continue to keep you informed on the progress of our work.*

*Please keep us in your prayers and be assured that we always keep you in our grateful prayers.*

*Sincerely yours in the Lord Jesus,  
Fr. J. Santa-Bibiana, SDB, Pastor*
