

**Salesian High School (New Rochelle)
Student Exchange Program with Salesian College in Farnborough, UK**

The second phase of the first-ever International Student Exchange Program at Salesian High concluded on February 18 when Director/President Fr. Patrick Angelucci, SDB '64, Mr. Arthur Schoenherr '81, and nine seniors - Christopher Carlson, Arton Djonbalaj, Michael LaSalle, Migjen Marku, Michael McCann, Ryan Swift, Matthew Trosa, David Werner, and Matthew Wickes - returned from a ten-day educational experience with Salesian College Farnborough in England.

In addition to attending classes, the Salesian students and their hosts had the opportunity to tour London visiting such sites as Windsor Castle, Hampton Court, The Houses of Parliament, Trafalgar Square and the Tower of London as well as an exclusive tour inside Big Ben and a side trip to an Irish Rugby Match. The students also participated in a special excursion to Normandy that included Utah Beach and The German Bunkers at Pointe du Hoc. At the American Cemetery on Omaha Beach, the group held a prayer service and a wreath laying ceremony.

In October of 2007, Salesian College Farnborough Headmaster Patrick Wilson, his wife Helen, staff member Richard Mahr, and ten students visited Salesian High, roomed with their host families, and traveled to historic sites in Philadelphia, Mystic, CT, New York City, and New Hyde Park.
