

March 3, 2009 – Salesian GHQ – New videos on ANSchannel

(ANS – Rome) – In little more than a month, ANSchannel, the channel which the Salesian iNfo Agency has opened on YouTube, has had a high number of hits, inscriptions, and comments.

Launched with the attractive clip “Siamo Salesiani,” adopted as their signature tune by those attending the 27th Salesian Family Spirituality Days, **ANSchannel** decided to collect and share amateur videos with news about Salesians and young people.

Today ANSchannel has added three new videos:

- A presentation of the show “Bosco, nel nome di Dio,” a musical performed by young people from the Salesian house in Salta, northern Argentina.
- The original version of the piece “Siamo Salesiani” from the performance of *Andiamo ragazzi*, directed by Agrò Nicolò and Sr. Paola Pignatelli and staged with lay people and religious from the Salesian Family in Piedmont and the Val d’Aosta.
- An interview by Antonio LaBanca, a journalist from Missioni Don Bosco Media Center, with Magdi Cristiano Allam, himself a journalist and a convert to Christianity about a year ago, who speaks about this experience of conversion and about faith

“ANSchannel is open to all those who want to send in a video, a news item, about youth and Salesian events,” declares Fr. Donato Lacedonio, the director of ANS. “ We know that there is a lot of going on and that creative activity is a great feature of the Salesian world. In particular we would like to have information about things happening in connection with the celebration of the 150th anniversary of the founding of the Salesian Congregation.”
